Career Coaching

The *CAREER HUB* was designed to help you with everything that you might need to support you on your career journey whether you are just getting started or are considering retirement.

Learn about yourself, explore career mapping and shadowing opportunities, discuss educational options, discover courses and workshops, and explore new opportunities.

[Get connected with a Nurse Wellbeing Specialist to take the next step in your career.](#)

Career Development

MedStar Health is committed to fostering an environment where people are encouraged to develop their careers through internal advancement. MedStar Health's new applicant tracking system (myATS) makes finding your next opportunity easy.

To have your application stand out, refer to our [resume tips and tools](#).

Your next opportunity is waiting. To learn more, visit: myHRMedStar.net > Tools & Resources > Career Opportunities

Educational Assistance

Take advantage of financial assistance for continuing education. Reimbursement is available for degrees, certifications, and other training courses: [Educational Assistance](#)

Explore our partnerships with colleges and universities all over the U.S. Click here to see our partner schools and the tuition discounts that are available: [Partner Schools and Tuition Discounts](#)

Eligible associates can also take advantage of scholarship opportunities: [Scholarships available on StarPort](#)

Elective Learning Platform

The Elective Learning Platform offers thousands of free learning resources that are available 24/7. Content can be watched (videos), read (books) or listened to (video/audio books).
